

May 2021

Chickadee

Chickadees have been working on the calendar at the beginning of each circle time since March when we did our math unit.

With the weather warming and spring fever in the air our theme for May is "Catch the Wave"

Children can spend hours exploring the sea side, ponds and rivers. Even if we can't go to the ocean we can enjoy imagining and engaging in ocean inspired pretend play. A few of the songs we will sing this month are Slippery Fish and Down by the Bay as a lead song into June's theme.

May's letters are W, X and Y.

4.

Mallard ducks.

6.

Life cycle of a frog.

11.

Ocean currents.

13.

Starfish

18.

Sea Anemones

20.

Octopus Math

25.

Oysters and pearls!

27.

Turtle herb planting.
