

# May 2021

## Meerkat

Continuing to build on our water ways unit from last month, the weather warming and spring fever in the air our theme for May is...

“Catch the Wave”

Children can spend hours exploring the sea side, ponds and rivers. Even if we can't go to the ocean we can enjoy imagining and engaging in ocean inspired pretend play. A few of the songs we will sing this month are Slippery Fish and Down by the Bay as a lead song into June's theme.

May's letters are W, X and Y.

3.

Mallard ducks.

5.

Life cycle of a frog.

10.

Ocean currents.

12.

Starfish

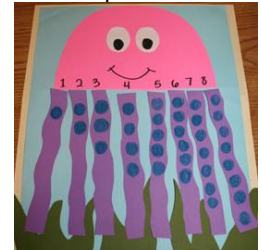

17.

Sea Anemones

20.

Octopus Math

24.

26.

Turtle herb planting.
